## PROFILE

A junior web developer that seeks a creative and challenging position that utilizes my current knowledge of web development and designs. Having a positive outlook and willing to learn new skills. I work well both independently and as part of a team.

## PROJECTS & EXPERIENCE

### Covid Lookup Project

Maps through the API and grabs relevant data such as Cases, Recovered, and Deaths.

### Wedding Website Project

Basic website that displays their story, images, and also an RSVP page where People can search for their invite and respond.

### Tesco Shelf Replenisher (Current)

As a Member of the Tesco Team I was trusted with training new members, meeting set productivity targets, and diffused and resolved various customer conflicts.
